Product highlights

Wireless Streaming with PC

Enjoy Internet radio
Easily access thousands of music channels and stations from the world through the internet. Listen to the latest hits or tunes from your favorite genre.

My Room, My Music
With My Room, My Music, your family member can enjoy their chosen music from the stored collections in any room equipped with a Wireless Music Station. Multiple User Access technology simultaneously stream music selected by the client Wireless Music Station form the Wireless Music Center. One Wireless Music Center can stream music to up to five Stations. That's six different music options for your whole family to enjoy in any room - simultaneously and instantly.

Music Broadcast to Stations
Be your own DJ at your home party and simultaneously broadcast your favorite dance music from the Wireless Music Center to all Wireless Music Stations installed in various parts of your home. Great for parties!

Music Follows Me
Music follows Me feature allows you to bring your favorite music from room to room in your house without having to restart navigation and playback of that particular track. By simply pressing a button, your favorite song will follow you anywhere you go in your house.
